Where Quality of Life Matters

Distribution Policy: Food

Community Fund Management Foundation will deny a Distribution Request for food if the beneficiary is a Medicaid, Waiver, or Supplemental Security Income (SSI) recipient. Food includes groceries, restaurant meals, fast food, vending machine items, snacks, alcohol, and beverages.

Exceptions will be made to this rule if:

- The food item is medically necessary and supported by a letter or script from the treating physician;
- The food is purchased on vacation (meaning a trip that requires the beneficiary to sleep somewhere other than his or her typical living arrangement for at least one night); or
- The food is reasonably purchased for the beneficiary's birthday.

This policy and other distribution policies are available on our website: www.cfmf.org.

Please contact our Distribution Department in our Administrative Office at (216) 736-4540 if you have additional questions.

This policy is consistent with Ohio Administrative Code Sections 5160:1-3-03.1 and 5160:1-3-03.8 as well as 20 CFR 416.1102-416.1103 and POMS SI 00810.005.
